

## Archery at your event?

We get regular requests from event organisers from across our area to run archery sessions for all ages from age 8 upwards. Whether you are a school, show organiser or someone looking for a corporate event that adds something exciting and different to your team development activities, why not give your people an unforgettable experience?

### **Why run an archery session?**

It's a great way to include everyone, whatever their physical ability. All sessions are well run with experienced, qualified archers and coaches who are there to make sure all participants have fun, learn or develop existing skills by taking part in an exciting sport.

### **Here are answers to some of your initial questions:**

**Who do I contact?** to talk through possible options, costs and do on...

In the first instance please e-mail Angela Brown, Sleaford Maltsters Archery Club Secretary: [angela.brown1@talktalk.net](mailto:angela.brown1@talktalk.net) or call her on tel: 07544 704646

### **Do we need any equipment?**

No, all bows, arrows, targets and other equipment needed to take part is provided by us.

### **Where can we run our archery event?**

This depends on what facilities you have, the time of year and when you are looking to run your event. We can usually run an outdoor event at Sleaford Town FC, near the new Biomass plant just off the A17, Sleaford.

If you are a school, you may have suitable playing fields that can be used - equally, it may be easier to arrange to meet and run your outdoor event at our regular outdoor summer shooting venue, Sleaford Town FC.

During the winter months, we meet at Carres Boys Grammar School in Sleaford and by agreement, we may be able to arrange your event there - always speak to us first rather than making a direct approach to Carres so that we can help you to get the best outcome.

### **How much does it cost?**

There is a sliding scale of fees depending on when, where, duration and club personnel needed to run your archery session. Sessions usually start at around £250.00 and so please discuss your needs with us and we will provide you with a very competitive quotation.

We look forward to hearing from you!
